Conference**

**Society for
Christian Outreach
Practice Excellence**

May 6-9, 2013

**Hosted at
Healing Hearts Ministry
766 Angus St.
Regina, SK**

The first ever conference for the
Society for
Christian Outreach Practice Excellence!

Would you like to learn more about doing ministry in inner-city, reservation, and outreach contexts?

Then this is the conference for you!

It will be a time of refreshment, fellowship, workshops, and discussion groups about how we live out Christ as we try to reach and engage the hurting in society.

This conference is for everyone from those in professional, full time ministry to part-time lay volunteers. It is also for those in secular professions who approach their work from a Christian world view, desiring to bring Christ into their work.
